FLOOR DEBATE

Equalization and Review Commission. It's on page 885 of the Journal, 885.

SENATOR JANSSEN: All right, I've got it.

SENATOR CUDABACK: You may go ahead.

SENATOR JANSSEN: All right. We would...the Revenue Committee would desire to report favorably upon the appointment of Susan S. Lore to the TERC Board, as we often call it, the Tax Equalization and Review Commission. I remember hearing her report to us and it sounds like she is very well versed on all types of assessments, and so on. She was with...she was a county assessor. I can't remember exactly which county it was, but does have a lot of experience in that area, and I would ask for unanimous support on her confirmation. Thank you.

SENATOR CUDABACK: You've heard the opening on the Revenue Committee Legislative Confirmation Report. Open for discussion? Senator Erdman.

SENATOR ERDMAN: Thank you, Senator Cudaback, members. I rise in strong support of Susan Lore for the TERC Board. I've had the opportunity to meet Susan over the past couple of years and recommend her highly. She's a former appraiser as well as a county assessor. She resides in Box Butte County, and I think she'll be a great advocate for the citizens of the state of Nebraska on the TERC Board as well as a great representative from western Nebraska. Thank you.

SENATOR CUDABACK: Thank you, Senator Erdman. Any further discussion of the confirmation report of the Revenue Committee? Seeing none, Senator Janssen, did you wish to close? Senator Janssen waives closing on the confirmation report. The question before the body is adoption of the confirmation report by the Revenue Committee. All in favor vote aye, opposed nay. We are voting on the confirmation report offered by the Revenue Committee, page 885 of your Journal. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: (Record vote, Legislative Journal pages 915-916.)
